

# TERRA D'ALTER

## EXPRESSÃO WHITE

### GRAPES:

Síria, Alvarinho & Viognier

### REGION:

Regional Alentejano

### HARVEST:

2023

### SOIL TYPE:

Clay and limestone

### pH:

3,55

### ALCOHOL CONTENT:

13 %vol.

### TOTAL ACIDITY:

5,3

### TASTING NOTES:

Light golden in colour with greenish tinges, this is a wine that aromatically reveals tropical notes of peach, apricot and some citrus fruit.

Creamy and enveloping, it has a very good balance between freshness, fruit and acidity.

The finish is persistent and greedy.

### VINIFICATION:

Vinified from the Síria, Alvarinho and Viognier grape varieties using the open top method, fermented in stainless steel at 13°C to maximise the preservation of the fresh, fruity aromas of its constituent grape varieties.

### FOOD PAIRING:

White meats, salads, sushi and seafood.
